WORK EXPERIENCE

Internship 2 Months – Zerovaega Technologies, Kolhapur | Web Developer

- Developed and implemented a confidential live project leveraging reusable code for enhanced efficiency and functionality.
- Employed Atlassian Jira for efficient task management and Canva for designing logos and banners.
- Utilized Microsoft Word and Excel for general company documentation, data management, and administrative tasks.
- Collaborated effectively across teams, refining communication and problem-solving skills.
- Played a pivotal role in frontend & backend development and maintenance of the Zerovaega website.

CERTIFICATION

- Life skill training program by Rubicon, sponsored by Barclays.
- MEAN Stack Project Development certificate from CSIBER College's one-day workshop.
